1.1 ARRIVAL & ACCESS

Check job notes in Connecteam for: address, access code, scope, linen delivery status
Confirm property is vacant on arrival — do not enter if guests are present
Take entry photo immediately upon arrival (required for every job)
Complete a quick walk-through — report damage in Connecteam before cleaning begins
If you cannot access the property: call office immediately — 0418 878 707

1.2 CLEANING SEQUENCE

1. Strip — beds, towels, bins, rubbish removed. Linen bagged for hire supplier.
2. Kitchen — benches, stovetop, microwave, sink, fridge, appliances, floor.
3. Bathrooms — toilet, shower/bath, sink, mirror, floor, consumables restocked.
4. Bedrooms — make beds (fresh hire linen), dust all surfaces, under bed, mirror, vacuum.
5. Living areas — dust, vacuum/mop, cushions/blankets, entertainment area, outdoor.
6. Final — photo every room, windows locked, lights off, door locked, submit job in Connecteam.

No photos submitted = job will not be marked complete. Photos are mandatory on every job.

1.3 LINEN HANDLING — RENTED MODEL

Brightly uses rented linen — you do NOT wash, own, or store linen
Fresh hire linen is delivered before each job — check job notes to confirm delivery
Strip all used linen into hire supplier collection bag on arrival
Tag stained/damaged items — bag separately — record on Connecteam form
Make all beds with freshly delivered hire linen only
Place dirty linen collection bag at agreed collection point before you leave
If linen has not arrived: call office (0418 878 707) — do NOT begin the clean
